

Staff Exclusion Badge Instructions

Your store has received Prodco's Staff Exclusion Badges. These Prodco badges are to be distributed to and worn by your store's staff. This is to ensure the staff does not generate counts.

Please contact Prodco support at servicedesk@prodcotech.com to schedule an appointment. Please reference **"Prodco Staff Exclusion Badge – Company Name and Store Number"** in the subject header of the email. During this appointment we will register the badges and perform tests to ensure the badges are enabled. These tests must be completed before the badges can be distributed to store staff.

Prodco Staff Exclusion Badge

WEARING INSTRUCTIONS

Staff must wear the badge on the left side of the chest area.

The badge needs to be worn horizontally and must not stick out.

The badge must not be covered (e.g. jacket, long hair, scarf, tie etc.).
